

THARIKA SIVAKUMAR

STUDENT

About Me

"Enthusiastic B.Sc. Artificial Intelligence & Data Science student with a passion for machine learning, deep learning, and data-driven problem-solving. Skilled in Python, data preprocessing, and model building, with hands-on experience in projects involving NLP and computer vision. Strong analytical mindset with a keen interest in applying AI solutions to real-world challenges. Seeking opportunities to enhance my expertise in AI research and development."
